*"Firestone is a consummate performer."* — Agenda Mag, Las Vegas

Having performed to millions of Michael Jackson fans worldwide, Michael Firestone has been hailed by fans and critics alike as the heir apparent to Michael Jackson in look, performance and authenticity. When it comes to Michael Jackson tribute artists, there are none quite like Michael Firestone. His ability to sing live while mastering the intense dancing that Michael Jackson was so famous for has made him the most sought after MJ tribute artist in the world. Michael Firestone was chosen as one of two official Michael Jackson impersonators for the Michael Jackson Laser Spectacular shows in theaters and casinos all over the USA and Canada including the Tacoma Dome. Most recently, Michael Firestone co-created and starred in *MJ Live* and numerous other Michael Jackson tribute shows that are still using his image/video to sell tickets.

Prior to Michael Jackson's untimely death, Firestone had performed as a Michael Jackson tribute artist in live shows such as 'MTV Magic' and 'Around the World' in Asia, 'Legends in Concert' in Myrtle Beach, 'LaCage' and 'Masquerade' in Atlantic City.
